

Tenant Satisfaction Measures

Introductory wording 2025-26

In line with the TSM requirements, all registered providers must publish the survey used to generate the Tenant Satisfaction Measures (TSMs), including any additional questions and the introductory wording provided to tenants.

The following pages contain copies of the emails and text messages sent to tenants inviting them to complete the 2025/26 TSM survey, including the introductory wording explaining the purpose of the survey and how to take part.

Dear <first name>,

Share your feedback

Each September, we ask tenants to take part in our annual satisfaction survey.

This year's survey is now live – and we'd love to hear from you. It's your chance to share your views on what we're doing well and where we could do better.

Your feedback directly shapes our services. It also helps us report back to the Regulator of Social Housing and develop an action plan for improvements based on what you tell us.

Here is your unique link:

👉 [Complete the survey here]

It's quick and easy

It only takes around 6 minutes – and you could win a £100 Love2Shop voucher!

For every survey completed, we'll also donate £1 to one of three local charities:

- First Love Foundation – supporting people in poverty in Tower Hamlets
- The Felix Project – rescuing surplus food for schools and charities
- Neighbours in Poplar – tackling loneliness in our community

The survey closes on Tuesday 4 November – but why wait? Share your thoughts today.

If you'd prefer to do it over the phone, just call us on 0800 035 1991.

Your views help us improve

Your feedback helps us make sure your home is safe, your community is thriving, and our services are working for you.

See last year's results, and how they made a difference, here. And give our 2024-25 annual report a read here.
